I am sorry I could NOT attend  
this meeting to-day.

For several years, we have had  
variations in conversation in our  
meetings regarding the <sup>many</sup> situations in  
Cross Lake. I know things can happen  
God makes impossible things happen.  
I am very proud to be a CANADIAN  
citizen. I am very proud for my country.  
To value ourselves, we need to assess  
that value more carefully and equally,  
be aware of what we pay for our  
actions and desires, our personal resource  
whether material or spiritual, and our  
potential for success. We must love  
each other deeply. Honor others more  
than yourselves. When you hope, be  
joyful, when you suffer, be patient, when  
you pray, be faithful. Share with God's  
people who are in need. welcome others  
into your homes.
