Issue Category	Organization	Issue	Municipality/ Locality
issue category	Organization	We need to have respect for our heritage and promote conservation of	Locality
Conservation	Cheryl Kennedy Courcelles	our water resources	St. Adolph
Conservation	Hugh Arklie	Concern about pesticide use to keep Right of Ways clear of trees	Dugald
	Rita and Donald Martel,		
	Marion and Reynald Balcean	Concern about the effects on the forests, farmer and wildlife due to	
Conservation	and Marcel Gobeil	drought	RM of Piney
Conservation	Lindy Clubb	Erosion control plans lacking	Winnipeg
Conservation	Lindy Clubb	Concern of impact wildlife and habitats	Winnipeg
	Glen Koroluk, Friends of		
	Pocock Lake Ecological		
Conservation	Reserve	Impacts on fish habitat	Winnipeg
Conservation	V.R. Myskiw	Project will have significant environmental impacts	Sandilands
	Serge La Rochelle, Save our		
Conservation	Seine	Impacts on fish habitat	Winnipeg
	JP Gosselin, Debonair	Driving closures and noise along highways (timeline of project, weekend	
Construction	Campground	work)	St. Malo
	JP Gosselin, Debonair		
Construction	Campground	Condition of Driveways (will the be regravelled after work is finished?)	St. Malo
	Cornie Goertzen, Seine Rat-	Concern that pipeline burial will not only be one pipe, but will allow future	
Construction	River Conservation District	pipelines	?
		No financial statements or budget were provided for the project, thus	
Economic	Hugh Arklie	leading to the question of who is funding the project	Dugald
	Philip Ould, Concerned		
	citizens of R.M. of Piney and	Reduction of groundwater levels could have effect on local employment	
Economic	Buffalo Point	and economics (there are 2 water bottling plants)	RM of Piney
	Philip Ould, Concerned		
	citizens of R.M. of Piney and		
Economic	Buffalo Point	No information on compensation to residents affected by project	RM of Piney
Faanamia	Dannia and Larelei Kanahak	No ad appropriate reimburgament for magnic official deliversis at	Corocus
Economic	Dennis and Lorelei Konchak	Need appropriate reimbursement for people affected by project	Sprague
Foonomio	John J. Kuryliw and M.T.	No information on who will be financially responsible for measures needed	Ma a drid a a
Economic	Volohatuke John J. Kuryliw and M.T.	in case of drought	Woodridge
Economic	Volohatuke	No clear evidence of project purpose	Woodridge
Enforcement	Roland Chaput	Need for enforcement of license	Steinbach
EHIOICEHIEHI	Chief John Thunder, Buffalo	Project scope includes the lands of Buffalo Point, and they have final say in	
First Nations' Rights	Point First Nation	use of resources within their lands	Nation
riist Nations Rights	1 ont that Nation	A minimum of 51% of ownership of water rights and economic gain from	Nation
First Nations' Rights	Cheryl Kennedy Courcelles	the project should go to First Nations	St. Adolph
Thist Nations Rights	Gaile Whelan Enns, Manitoba		St. Adolph
First Nations' Rights	Wildlands	indication of notification to First Nations	Winnipeg
General PVWC	Cheryl Kennedy Courcelles	Need to have much more information on the project from PVWC	St. Adolph
	, ,		·
General PVWC	Hugh Arklie	Proposal lists RMs that are PVWC members as potential users of the system	Dugald
General PVWC	Hugh Arklie	Reports contain no maps showing aquifer	Dugald
		Reports submitted by PVWC contained very little information about	
General PVWC	Hugh Arklie	themselves	Dugald
General PVWC	Hugh Arklie	No information about current impacts from PVWC	Dugald
General PVWC	George and Lydia Culleton	Call for further research on the project	RM of Piney
General PVWC	Joan and Edward Alexander	No information of what PVWC will be charged for their water usage	RM of Piney
