We (my husband and I) would like to be on the record in TOTAL OPPOSITION TO THE PROJECT OF SILICA SAND EXTRACTION IN VIVIAN, Manitoba. We have lived in this part of the province for over 40 years, have been voting conservative for many years, and do not want to see the water quality destroyed in this area and it surely will and this will certainly affect our children's & grandchildren's lives devastatingly. Please do not allow this project to go ahead or you will have forever lost our vote.

Sincerely,  
Peter & Monica Pytel  
Lorette, Manitoba
