Dear Sir:

**RE: TENTATIVE MEETING ON WUSKWATIM UPDATE SEPTEMBER 03, 2003**

We have cancelled this meeting numerous times on the request of the South Indian lake Leadership, and today a tentative date is again being suggested for September 03, 2003.

Meet with community leadership at 11:00am, when proceed to meet with the public at large at 1:00pm, this schedule I remind you can be altered to the community needs.

The format that was proposed in the past was to meet with the SIL Leadership, then proceed to meet with the community in a forum setting. A respond on this request would be appreciate as soon as possible. This format again is being suggested, should you need more information don't hesitate to call me at 374 - 2271.

Sincerely,
