

Manitoba-Minnesota Transmission Project Exhibit List

Clean Environment Commission

- CEC-001 Letter to Chair Clean Environment Commission, Serge Scrafield, from Minister of Sustainable Development, dated February 15, 2017.
- CEC-002 Revised Terms of Reference Manitoba-Minnesota Transmission Project.

Manitoba Sustainable Development

- MSD-001 Regulatory Process: Proposed Manitoba to Minnesota Transmission Line. Presentation: Tracey Braun, Environmental Approvals Branch, Manitoba Sustainable Development. Presentation to the Clean Environment Commission May 2, 2017.

Manitoba Hydro

- MH-001 Manitoba-Minnesota Transmission Project, Executive Volume. Manitoba Hydro, September 2015.
- MH-002 Manitoba-Minnesota Transmission Project, Volume 1: Introduction, Project Description, Public Engagement Process, First Nations and Metis Engagement Process, Transmission Line Routing, Environmental and Socio-Economic Setting, Assessment Methods. Manitoba Hydro, September 2015.
- MH-003 Manitoba-Minnesota Transmission Project, Volume 2: Assessment of Potential Impacts on: Fish and Fish Habitat, Wildlife and Wildlife Habitat, Vegetation and Wetlands. Manitoba Hydro, September 2015.
- MH-004 Manitoba-Minnesota Transmission Project, Volume 3-Part 1: Assessment of Potential Effects on: Traditional Land and Resource Use, Heritage Resources, Infrastructure and Services, Employment and Economy, Agriculture, Land and Resource Use. Manitoba Hydro, September 2015.
- MH-005 Manitoba-Minnesota Transmission Project, Volume 3-Part 2: Assessment of Potential on: Visual Quality, Human-Health Risk, Community Health and Well-being. Manitoba Hydro, September 2015.
- MH-006 Manitoba-Minnesota Transmission Project, Volume 4: Effects of the Environment on the Project, Accidents, Malfunctions and Unplanned Events, Environmental Protection, Follow-up and Monitoring, Sustainable Development, Conclusions. Manitoba Hydro, September 2015.
- MH-007 Manitoba-Minnesota Transmission Project, Biophysical Technical Data Reports -Part 1: Physical Environment: Terrain and Soils, Groundwater, Air, Noise, Historic and Future Climate Study, Greenhouse Gas Lifecycle Assessment. Vegetation and Wetlands. Manitoba Hydro, September 2015.
- MH-008 Manitoba-Minnesota Transmission Project, Biophysical Technical Data Reports -Part 2: Wildlife and Wildlife Habitat, Fish and Fish Habitat. Manitoba Hydro, September 2015.

MH-009 Manitoba-Minnesota Transmission Project, Socio-Economic Technical Data Reports. Public Engagement Process, Socio-Economic and Land Use, Heritage Resources, Traffic Impact Study, Economic Impact Assessment, Assessment of Land Usage for Hydro Towers, Research on Extremely Low Frequency Electric and Magnetic Fields from Alternating Current Transmission Lines - Summary Evaluation of the Evidence, Electric Field, Magnetic Field, Audible Noise and Radio Noise Calculation. Manitoba Hydro, September 2015.

MH-010 Manitoba-Minnesota Transmission Project, TAC information requests and responses.

MH-011 Supplemental: Manitoba Hydro Manitoba-Minnesota Transmission Project, Dakota Plains Wahpeton Nation Traditional Knowledge Study. Submitted to: Dakota Plains Wahpeton Nation, Golder Associates, September 2016.

MH-012 Supplemental: Sagkeeng O-Pimatziwin 2. Traditional Knowledge Study, Manitoba-Minnesota Transmission Line Project. Supplementary-March 2016.

MH-013 Errata. March 17, 2017.

MH-014 Specified SCC [SSC] Information Requests and Manitoba Hydro's Response, April 4, 2017.

MH-015 Manitoba-Minnesota Transmission Project - Information Requests: questions and responses. April 13, 2017.

MH-016 Supplemental: Metis Land Use and Occupancy Study. Assessment of Potential Effects Prior to Mitigation. Manitoba-Minnesota Transmission Project. Prepared for: Manitoba Hydro Winnipeg, MB and Manitoba Conservation and Water Stewardship, Winnipeg, MB. December 2016. Calliou Group for Manitoba Metis Federation.

MH-017 Supplemental Report where Manitoba Hydro Articulates How the MMF Report Information has influenced MMTP. April 19, 2017.

MH-018 Supplemental: Manitoba-Minnesota Transmission Project Cultural and Heritage Resources Protection Plan, Draft. April 21, 2017.

MH-019 Witness list and CVs, April 21, 2017.

MH-020 Additional References, April 24, 2017.

MH-021 Errata. May 2, 2017.

MH-022 Manitoba-Minnesota Transmission Project. Clean Environment Commission Hearing. Manitoba Hydro. Introduction and Project Description.

MH-023 MMTP 2017 Flyover Simulation

MH-024 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Engagement Panel. Part 1.

MH-025 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Engagement Panel. Part 2.

MH-026 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Routing Panel. Part 1

MH-027 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Routing Panel. Part 2.

MH-028 Meeting Notes Re: route SIL.

MH-029 Response to Undertaking MH#1 and #2.

MH-030 Answers to Informal Undertakings Provided by Manitoba Hydro.

MH-031 Weather Study for Great Northern Transmission Line.

MH-032 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Construction, Operations & Property Panel. Part 1. Glenn Penner, Director Transmission Construction.

MH-033 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Construction, Operations & Property Panel. Part 2. James Matthewson.

MH-034 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Construction, Operations & Property Panel. Part 3. Alec Stuart.

MH-035 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Construction, Operations & Property Panel. Part 4.

MH-036 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Construction, Operations & Property Panel. Part 5.

MH-037 CV: Updated CV for William Bailey. May 11, 2017.

MH-038 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Methodology Panel.

MH-039 Presentation: EMF Science Update: Manitoba-Minnesota Transmission Line EIS. William H. Bailey.

MH-040 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Introduction.

MH-041 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Land and Resource Use Part 1

MH-042 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Land and Resource Use Part 2

MH-043 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Agriculture, Part 1.

MH-044 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Agriculture, Part 2.

MH-045 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Visual Quality. Part 1.

MH-046 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Visual Quality. Part 2.

MH-047 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Human Health. Part 1.

MH-048 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Community Health.

MH-049 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Heritage Part 1.

MH-050 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Socioeconomic Panel. Heritage Part 2.

MH-051 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Introduction.

MH-052 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Fish & Fish Habitat Part 1.

MH-053 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Fish & Fish Habitat Part 2.

MH-054 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Vegetation Part 1.

MH-055 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Vegetation Part 2.

MH-056 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Wildlife Part 1.

MH-057 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Wildlife Part 2.

MH-058 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. TLRU Part 1.

MH-059 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. TLRU Part 2.

MH-060 Answers to undertakings. May 18, 2017.

MH-061 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Environmental Protection Plan Panel. Part 1.

MH-062 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Environmental Protection Plan Panel. Part 2.

MH-063 Presentation: Manitoba-Minnesota Transmisson Project, Clean Environment Commission Hearing. Biophysical Panel. Fish slides.

MH-064 Presentation: Manitoba-Minnesota Transmission Project, Clean Environment Commission Hearing. Biophysical Panel. Vegetation slides.

- MH-065 Transcript excerpt. May 16, 2017. Pages 1428-1431. regarding Minnesota Power Presidential Permit and EMF monitoring.
- MH-066 United States Department of Energy, Office of Electricity Delivery and Energy Reliability. OE Docket No PP-398, Minnesota Power. Presidential Permit No. PP-398, November 15, 2016.
- MH-067 Undertaking: List of Datasets requested by SCO.
- MH-068 Table: Comparison of segments of BWZ vs BMY south of Richer to Common End Point.
- MH-069 Presentation: Manitoba-Minnesota Transmission Project. Clean Environment Commission Hearing. Comparison of Segments.
- MH-070 Answers to Undertaking # 3 (Communication Strategy)
- MH-071 Answers to Undertaking #4]
- MH-072 The Manitoba Clean Environment Commission. In the matter of: Manitoba-Minnesota Transmission Project Environmental Impact Statement Submitted by: Manitoba Hydro June 16, 2017.

Consumers' Association of Canada (Manitoba Inc.)

- CAC-001 Presentation: A Learning Dialogue & Opportunities to Exceed Past Standards and Practices. Opening Statement from the Consumer Association of Canada (Manitoba Branch) Presented by Joëlle Pastora Sala, Attorney
- CAC-002 Canadian Environmental Assessment Act (excerpt)
- CAC-003 Facsimile: Dated April 19, 2017 to Ms. K. Jennifer Moroz, Manitoba Hydro and Mr. Jason Madden Pape, Salter, Teillet (representing MMF) re: Application for Approval for Manitoba-Minnesota Transmission Project.
- CAC-004 Practitioners Guide to the Risk Management Framework for DFO Habitat Management Staff. Version 1.0. Habitat Management Program, Fisheries and Oceans Canada. (excerpt)
- CAC-005 The Adaptive Management Cycle. Diagram from the AM cycle for the Tasmanian Wilderness Heritage Project.
- CAC-006 Excerpt from "A Foundation for the Future: Strengthening Follow-up and monitoring in the MMTP to ensure robust environmental protection: (2017). by Dr. Patricia Fitzpatrick.
- CAC-007 Outline and CV
- CAC-008 A Foundation for the Future: Strengthening Follow-up and monitoring in the Manitoba-Minnesota Transmission Project to ensure robust environmental protection. Patricia Fitzpatrick, Associate Professor, Department of Geography. The University of Winnipeg.
- CAC-009 Errata, May 29, 2017.

- CAC-010 Presentation: A Foundation for the Future: Strengthening Follow-up and Monitoring in the MMTP to Ensure Robust Environmental Protection. Patricia Fitzpatrick, Associate Professor, Department of Geography.
- CAC-011 Ogichi Tibakonigaywin, Kihche, Othasowewin, Tako Wakan: The Great Binding Law. Written at Turtle Lodge.
- CAC-012 Manitoba-Minnesota Transmission Project. Closing argument. Consumers' Association of Canada (Manitoba Branch). Prepared by the Public Interest Law Centre, June 5, 2017.
- CAC-013 Manitoba-Minnesota Transmission Project. Closing Argument of the Consumers' Association of Canada (Manitoba Branch). Prepared by: Joëlle Pastora Sala, Public Interest Law Centre. Submitted to the CEC 16 June 2017.

Dakota Plains Wahpeton Oyate

- DPWO-001 Photo: Slash burning on Bipole III Transmission Line.
- DPWO-002 Dakota Plains Wahpeton Oyate (DPWO) Outline.
- DPWO-003 History of Dakota Education in Portage la Prairie.
- DPWO-004 MMTP Hearing, DPWO Closing Arguments, June 5, 2017.

Manitoba Metis Federation

- MMF-001 Manitoba Metis Federation Opening Comments Manitoba Minnesota Transmission Line. For: Clean Environment Commission May 8, 2017 - Winnipeg, MB. By: Jason Madden & Megan Strachan, Pape Salter Teillet LLP.
- MMF-002 Outline and CVs
- MMF-003 Manitoba Clean Environment Commission. In the matter of section 6(5)(b) of *The Environment Act*, C.C.S.M. C. E125; And in the matter of a review by the Clean Environment Commission ("CEC") of the Environmental Impact Statement for the Manitoba Hydro Manitoba-Minnesota Transmission Project (the "Project") pursuant to the Terms of Reference of the Minister of Sustainable Development dated December 31, 2016, and updated on February 15, 2017.
- MMF-004 Presentation: Calliou Group. Manitoba Metis Federation: "Metis Land Use and Occupancy Study: Assessment of Potential Effects Prior to Mitigation, MMTP", May 30, 2017. Prepared by Calliou Group.
- MMF-005 Answers to questions posed by the Clean Environment Commission and Southeast Stakeholders' Coalition.
- MMF-006 Manitoba Metis Federation Final Written Submission. June 16, 2017. Pape Slater Teillet LLP. Jason Madden, Zachary Davis, Megan Strachan Counsel for the Manitoba Metis Federation.

MMF-007	Manitoba Metis Federation Final Written Submission. Table of Authorities.
Manitoba Wildlands	
MWL-001	Outline of Proposed Evidence of Manitoba Wildlands.
MWL-002	Manitoba Minnesota-Transmission Project. Reducing Adverse Impact of Transmission, Line Capacity and Land Use. Submitted by Dennis Woodford P. Eng., President, Electranix Corporation. Presentation for Manitoba Wildlands, Manitoba Clean Environment Commission. May 13, 2017.
MWL-003	Presentation: Clean Environment Commission, MMTP. Reducing Adverse Impact of Transmisson, Line Capacity & Land Use. Dennis Woodford P. Eng. for Manitoba Wildlands. 23rd May, 2017.
MWL-004	Biodiversity, Ecosystem Services, Human Health and Wellbeing in the Manitoba-Minnesota Transmission Project. Provided to the Clean Environment Commission for the Manitoba-Minnesota Transmission Project Prepared for: Manitoba Clean Environment Commission. Prepared by: Alyson McHugh, MSc, RPBio. Prepared for Manitoba Wildlands to be used in the Manitoba Clean Environment Commission Hearings for Manitoba-Minnesota Transmission Project.
MWL-005	Presentation: Biodiversity, Ecosystem Services, Human Health and Wellbeing in the Manitoba-Minnesota Transmission Project. Provided to the Clean Environment Commission for the Manitoba-Minnesota Transmission Project Proceedings. Presented by: Alyson McHugh, MSc, RPBio. May 29, 2017
MWL-006	Rapid Climate Change & Impacts: From Global-to-Local (Manitoba). Evidence for CEC MMTP hearings 2017. By Paul Beckwith. Thursday May 25, 2017.
MWL-007	Presentation: Rapid Climate Change & Impacts: from Global-to-Local (Manitoba). By: Paul H. Beckwith. June 1, 2017.
MWL-008	Manitoba Wildlands CEC Closing Statement re MMTP.
Peguis First Nation	
PFN-001	Peguis First Nation outline of Peguis submissions, panel list and resumes as pursuant to CEC process guidelines.
PFN-002	Peguis First Nation, Clean Environment Commission Hearing Manitoba-Minnesota Transmission Project. Dr. Niigaanwewidam Sinclair, Associate Professor Native Studies at the University of Manitoba. Impact of the MMTP on First Nations in Treaty One and Treaty Three. May 2017.
PFN-003	Presentation: Report on Southern Manitoba First Nations Use of MMTP Project Area. Dr. Niigaanwewidam Sinclair, Associate Professor, Department of Native Studies, University of Manitoba.
PFN-004	Mike Sutherland Oral Presentation - Scheduled for May 24, 2017. Peguis First Nation, Clean Environment Commission Hearing, Manitoba-Minnesota

Transmission Project.

- PFN-005 Peguis First Nation Land Use and Occupancy Interview Project Summary. Manitoba-Minnesota Transmission Project. Part of panel presentation for CEC hearing. May 2017.
- PFN-006 Letter dated May 15, 2017. Re: Peguis Land Use and Occupancy Interview Project About the Manitoba-Minnesota Transmission Project (MMTP) (October 2015).
- PFN-007 Letter dated June 5, 2017. Re: Peguis First Nation Land Use and Occupancy Interview Project Final Report, October 2015 (the "Report").

Southern Chiefs' Organization

- SCO-001 Herbicide Safety Data Sheets
- SCO-002 CEC Manitoba-Minnesota Transmission Project Hearings Southern Chief's Organization Outline
- SCO-003 Land Cover and Land Use Change, Manitoba-Minnesota Transmission Project 1930 to 2016. Prepared by Petr Cizek, PhD. Cizek Environmental Services for Clean Environment Commission hearing regarding Manitoba Minnesota Transmission Project and Southern Chiefs Organization Inc. Winnipeg, Manitoba, Participant in Hearings, May 2017.
- SCO-004 Presentation: Land Cover and Land Use Change Manitoba-Minnesota Transmission Project 1930 to 2016. prepared by Per Cizek for Clean Environment Commission hearing regarding Manitoba Minnesota Transmission Project and Southern Chiefs Organization Inc. Winnipeg Manitoba, Participant in Hearings, May 2017.
- SCO-005 Presentation: Southern Chiefs' Organization Inc. panel presentation to the Manitoba-Minnesota Transmission Project Hearing, scheduled for May 29, 2017.
- SCO-006 Map: Some SCO MMTP Traditional Knowledge Study Data.

Southeast Stakeholders Coaliton

- SSC-001 Outline and CVs, April 24, 2017.
- SSC-002 Amended outline, May 4, 2017.
- SSC-003 Analysis and Report to the Clean Environment Commission on Manitoba Minnesota Transmission Project (MMTP) Route Selection Criteria, Routes, and Impacts. Prepared by: Robert Berrien, DAC.
- SSC-004 Appendices to Analysis and Report to the Clean Environment Commission on Manitoba Minnesota Transmission Project (MMTP) Route Selection Criteria, Routes, and Impacts. Prepared by: Robert Berrien, DAC.
- SSC-005 Maps and tables.

SSC-006 Outline of Closing Submission of the Southeast Stakeholders Coalition.

SSC-007 Reply Submissions of the Southeast Stakeholders Coalition.
